## Hat Camp & Boiling Challenge

Despite a rather wet Saturday the Hat Camp was very successful, with good days on Friday and Sunday. Attendance was very slightly up on last year and we were again pleased to welcome a good number of 'Scamp' members, in addition of course to John Shelley and Chris Yates!

If you have pics please send them to me and I will include them in next month's

## Les Fils 'scenic drive' to the Apple Tasting

Following our heart-breaking decision to cancel the Les Fils Birthday Duck Race, we are still continuing with the 'scenic drive' to the Apple Tasting which has always been a popular second half of the day anyway.

We will be starting from the Sainsburys Superstore very close to the enormous roundabout known as the 'Shepherd and Flock Roundabout' on the Guildford side of Farnham. The address of the store is Water Lane, Farnham and the postcode is **GU9 9NJ**. If you are unfamiliar with the area and think you might need detailed directions to find it, please email **Tony** using the details below and stating which direction you will be coming from. Google Street view is very good for a 'virtual tour' if you want to check out the route from the A31 to the store and my satnav took me straight into the car-park using the postcode.

I did a dummy run to the store last Sunday at about the time we will assemble and it was pretty busy, but it is a big car-park and there were plenty of spaces in the area furthest from the store. When you enter the car-park take any lane on the left towards where the car-wash and orange recycling bins are. We will be leaving at **11:30 sharp** so suggest we start assembling from about 11:00. We should be at Blackmoor by about 12:15. Those coming from further south might like to meet us at Blackmoor instead.

On arrival at Blackmoor we will again have our own parking area to show off our cars, have a picnic and share the Birthday Cake before going into the Apple Tasting Fair. The Woolmer Lions Club marshals will direct you through the main car-park to our spot.
