Les Slimes

You can always say it's your wife's.

Nobody in his right mind would buy a Dyane with the idea of impressing the neighbours.

You buy a Dyane because it has five doors and a sun roof, independent suspension on all four wheels, petrol consumption that makes it almost as economical to run as a bicycle, and a tough reliable engine that goes on and on and on.

All this from only £637-15 (ex works inc. P.T.) Which does, ironically enough impress the neighbours. So why give your wife all the credit?

Visit your local Citroen dealer or write for brochure and list of agents to:- Citroen Cars Ltd., Dept. C3, Slough, SL14QA.
