Les Slimes

Citroën 2CV. You can't help smiling.

The 2CV can make you smile because it's fun to own, because it's different—and because it's a money saver.

Petrol is dear. With a 2CV you can get over 50 miles per gallon, as 'Motor' did in their road test.

If your present car is ageing, the repair bills will make you frown. The 2CV gives you the chance to buy a brand-new 4-door car for only £1148.94.

And once you're running a new 2CV, the economies continue.

The 2CV has longlasting radial tyres. The sturdy air-cooled engine is simple and dependable. If you get a knock, the sectionalised 2CV body is quick and cheap to repair.

Other advantages abound. Comfortable seats and suspension. Lively performance:

'Motor' recorded a top speed of 70.9mph. A sunshine roof: fold it back for easy conversion to a near estate car for tall, long or bulky loads. Super colours, including a brilliant yellow and a blazing orange.

Seriously, you can't help smiling at other car owner's problems when you're a 2CV driver. The fun starts at your Citroën dealer's. Arrange a test drive. Or post our coupon.

Les Slimes

Friday 8th to Sunday 10th September at our usual venue of King Harry's Field, Cowfold on the A272 towards Bolney. There is no Postcode but the field is on the left side of the road opposite Oakendene Industrial Estate, RH13 8AZ. As always it will be very much a `laid back` camp but there will be an interesting Scenic Drive on the Saturday, a barbecue on the Saturday evening and Hat Judging on the Sunday morning. A weekend not to be
