A tiny tin snail for you to enjoy at home

PLAYMOBIL 2CV £44.99

The legendary Citroën 2CV is now available as a charming Playmobil model, suitable for children from age five to 99! The model is full of details including a faithfully recreated interior, openable rear hatch door, characteristic headlights and a functioning sunroof. The headlights are interchangeable between transparent and yellow colouring for that Parisian look, and a sheet of stickers included in the set offers up four number plate options from different countries, as well as a selection of other stickers for personalising the model further.

James says

'While my 2CV is back in pieces, this is keeping my tin snail fix fulfilled. I might have to ask Steve Brown if he's got any red paint left, though!'

If you have children or grand-children.....what are you waiting for.....?
